#### **Regulation 4: Conduct of Inspection.**

4. (1) The Inspecting Authority shall serve a notice of inspection to the service provider at least 10 days before the commencement of inspection:

Provided that where the Inspecting Authority is satisfied that the notice will cause undue delay in inspection or there is an apprehension that records of the service provider may be destroyed, mutilated, altered, falsified or secreted, after the notice is served, it may, for reasons to be recorded in writing, dispense with such notice.

(2) The Inspecting Authority may require the service provider or an associated person to submit records, as may be required, before the commencement of inspection.

(5) The service provider shall allow the Inspecting Authority to have access to the premises occupied by such service provider or by any other person on its behalf and extend facility for examination of any records in the possession of the service provider or any such other person and provide copies of records or other material which in the opinion of the Inspecting Authority are relevant for the inspection.
